

December 12, 2017

Dear Patron,

The historic Duxbury Art Association is pleased to announce the upcoming Annual Winter Juried Show, which runs from February 4th through April 22nd, 2018, at the Art Complex Museum in Duxbury.

We are very excited to be taking a major leap forward this year by accepting juried art submissions online! Our aim with this new process is to challenge the caliber of art in the show by appealing to a larger pool of artists, and it also allows us to work with acclaimed judges from different regions. Our hope is that the range of art represented in the show will continue to grow, and also inspire local artists as they see their work included in a broader context. As in years past, we expect more than 6,000 visitors to attend from a wider region than in years past as we extend our Call for Artists.

To honor our distinguished forefathers and our 100th anniversary, for the first time ever the DAA has curated an historic exhibit of Founding Members' artwork, including paintings by John Singer Sargent, Charles Bittenger, Charles H. Woodbury and Frank W. Benson, among other notable artists. This exceptional work will be displayed in a special area of the gallery, along with the 2018 Winter Juried Show's accepted artists. We will celebrate this very special exhibition by hosting an invitation-only Private Preview Party and we welcome all members and sponsors who have contributed at the sustaining level and beyond. During this private hour, attendees will be the first to view our Founders' Exhibit, the juried WJS entries for sale, and join us in celebrating 100 years of the Duxbury Art Association with a champagne toast. We greatly look forward to this special gathering of the region's leading art patrons at the DAA's premier juried art show on the South Shore.

Please support the arts and the DAA by considering the following opportunities to underwrite this very special Winter Juried Show. We thank our sponsors by including their businesses in our program, on signage at the Opening Reception, on our website, and via other promotional materials distributed throughout the area. Event Underwriters are recognized on The Duxbury Art Association's homepage for an entire year, and complete sponsorship benefits at every level are listed in the following table.

Your donation is tax deductible and will help support this treasured tradition as we celebrate the Duxbury Art Association's 100th Anniversary. If you have questions or require additional information, please contact WJS Event Director, Destinie Ryan, at 781-733-7886, or winterjuriedshow@duxburyart.org.

Thank you!
